Recitals

(A) WHEREAS, Upstakes operates a skill-based poker analytics and funding platform and provides a qualification assessment known as the Challenge, designed to evaluate a player's decision-making skill against Game Theory Optimal principles;

(B) WHEREAS, the Player has voluntarily participated in the MTT Challenge, has achieved the accuracy score required for the Tier recorded in Annex A, and has thereby demonstrated the level of skill and performance required by Upstakes;

(C) WHEREAS, Upstakes is willing to provide Funding to the Player for participation in multi-table poker tournaments on the terms set out in this Agreement;

NOW, THEREFORE, in consideration of the foregoing and the mutual promises contained in this Agreement, the Parties agree as follows:

1. Definitions

1.1 In this Agreement, the following definitions apply:

(a) **"ABI"** (Average Buy-In) means, at any point in time, the aggregate of all Buy-Ins paid from the Funded Bankroll since the Commencement Date, divided by the total number of Funded Tournaments entered in the same period. ABI is calculated on a cumulative basis and is not reset by any distribution of Profits or by the operation of Clause 4.5.

(b) **"Annex A"** means the Funding Schedule appended to this Agreement.

(c) **"Annex B"** means the Playing Parameters appended to this Agreement.

(d) **"Buy-In"** means the total amount payable in order to enter or continue in a Funded Tournament, including the entry fee, rake, any administrative charge, and any re-entry, re-buy or add-on.

(e) **"Challenge"** means the Upstakes MTT qualification assessment successfully completed by the Player.

(f) **"Clearance Confirmation"** has the meaning given in Clause 9.5.

(g) **"Commencement Date"** means the date on which this Agreement is signed by both Parties.

(h) **"Funded Bankroll"** means the pool of funds allocated by Upstakes to the Player under this Agreement, which remains the sole property of Upstakes until distributed as Profits.

(i) **"Funded Tournament"** means a multi-table poker tournament entered using the Funded Bankroll in accordance with Clause 3.

(j) **"Funding"** means the provision of funds by Upstakes to the Player for participation in Funded Tournaments.

(k) **"Gross Return"** means the aggregate of all amounts received by, or credited to, the Player in connection with Funded Tournaments, including prize money, bounties and tournament-related bonuses.

(l) **"Live Tournament"** means a Funded Tournament played in person at a physical venue.

(m) **"Make-Up"** means the cumulative net losses arising from Funded Tournaments, tracked for the purpose of calculating Net Profit available for distribution, carried forward and offset against future Gross Return prior to any distribution. Make-Up constitutes a debt owed by the Player to Upstakes only in the circumstances set out in Clause 5.

(n) **"Net Profit"** means Gross Return less the aggregate of all Buy-Ins, and less any Make-Up brought forward, calculated in accordance with Clause 4.2.

(o) **"Staking Manager"** means the individual designated by Upstakes from time to time as the Player's principal point of contact, identified in Annex B.

(p) **"Term"** means the period from the Commencement Date until termination takes effect in accordance with Clause 9.

(q) **"Tier"** means the funding tier selected by the Player and recorded in Annex A.

(r) **"Tranche"** means each instalment of the Funding disbursed in accordance with Clause 3.2.

1.2 References to a Clause or Annex are to a clause of, or annex to, this Agreement. The Annexes form an integral part of this Agreement. Headings are for convenience only and do not affect interpretation.

2. Purpose and Legal Nature

2.1 Purpose. The purpose of this Agreement is to formalise the funding relationship under which Upstakes will fund the Player in multi-table poker tournaments following the Player's successful completion of the Challenge.

2.2 Not gambling. The Parties expressly acknowledge that the Funding does not constitute gambling, prize winnings, or any form of consumer lottery within the meaning of Czech Act No. 186/2016 Coll., on Gambling, nor within the meaning of any comparable legislation.

2.3 Nature of the contract. The Parties agree that this Agreement constitutes a sui generis commercial cooperation contract. It is not, and shall not be construed as, an employment contract, a partnership, or an agency agreement. Nothing in this Clause 2.3 operates to exclude, limit or vary any mandatory right which the Player may have under applicable consumer protection legislation, where the Player enters into this Agreement otherwise than in the course of their trade, business or profession.

2.4 Independent status. The Player participates in poker tournaments as an independent party, bearing all legal and tax responsibilities in connection with their activities. Nothing in this Agreement creates any fiduciary duty owed by Upstakes to the Player, save for the obligations expressly provided for herein.

2.5 Discretionary offer. The Parties acknowledge that the offer of Funding is made exclusively at the discretion of Upstakes, contingent upon successful completion of the Challenge.

2.6 Currency. All amounts under this Agreement, including the Funded Bankroll, Buy-Ins, Gross Return, Make-Up and distributions, are denominated in United States Dollars (USD). Where a transaction is effected in another currency, it shall be converted into USD at the rate applied by the relevant poker platform or payment provider at the time of the transaction, and the Player bears any conversion cost.

3. Funding Terms

3.1 Funding Amount. Upstakes shall make available to the Player Funding in the amount stated in Annex A for the Tier selected by the Player. For the avoidance of doubt, the Funding amount is determined by the Tier and not by reference to any multiple of the Challenge entry fee.

3.2 Tranches. The Funding shall be disbursed in four (4) equal Tranches. Upstakes may, at its sole discretion, subdivide any Tranche into a greater number of smaller instalments, in which case references to a Tranche apply to each such instalment. The first Tranche shall be released on or promptly following the Commencement Date. Each subsequent Tranche shall be released once:

(a) the Player has fulfilled the reporting obligations under Clause 6 in respect of all play funded by the preceding Tranches; and

(b) no performance or compliance concern notified to the Player in writing by Upstakes remains unresolved.

Upstakes shall, within five (5) business days of the conditions in this Clause 3.2 being satisfied, either release the Tranche or notify the Player in writing of the grounds on which it is withheld and the steps required to resolve them.

3.3 Ownership of Funds. All Upstakes funds remain at all times the exclusive property of Upstakes until distributed as Profits in accordance with Clause 4. The Player holds such funds in a trust-like capacity and is strictly prohibited from mixing them with personal or third-party funds.

3.4 Use of Funds. The Player shall use the Funded Bankroll exclusively for entering Funded Tournaments on the platforms and within the parameters recorded in Annex B or otherwise approved in writing by the Staking Manager. Any other use of Upstakes funds constitutes misappropriation and a material breach of this Agreement.

3.5 Tournament Volume. Unless otherwise agreed in writing, the Player shall enter not fewer than the minimum number of Funded Tournaments per calendar month recorded in Annex B.

3.6 ABI and Buy-In limits. The Player shall at all times maintain a cumulative ABI not exceeding the ABI limit stated in Annex A. In addition, and notwithstanding compliance with that limit, the Player shall not enter any single Funded Tournament with a Buy-In:

(a) exceeding three (3) times the ABI limit stated in Annex A; or

(b) below one quarter (0.25) of the ABI limit stated in Annex A.

Upstakes may additionally require the Player to observe a rolling thirty (30) day ABI not exceeding the ABI limit, by written notice. Any departure from the limits in this Clause 3.6 requires the prior written agreement of Upstakes on each occasion.

3.7 Permitted formats. The Funded Bankroll may be used only for No-Limit Texas Hold’em multi-table tournaments. Cash games and any other format not expressly recorded in Annex B or approved in writing by the Staking Manager are strictly prohibited. Where the Player also holds a cash game funding arrangement with Upstakes, that arrangement is governed by a separate agreement and the two bankrolls shall be kept entirely separate.

3.8 Live Tournaments. The Player may enter Live Tournaments using the Funded Bankroll, subject to the prior written approval of the Staking Manager in respect of each event or series. In relation to any Live Tournament the Player shall retain and provide on request the entry receipt or tournament ticket, cage or cashier records, and the official published results listing. Where hand histories are unavailable, those records constitute the required reporting for the purposes of Clause 6.

3.9 Costs of attendance. All costs of attending a Live Tournament, including travel, accommodation, subsistence, visa and any other cost of attendance, are borne by the Player, do not form part of the Funded Bankroll, and are not deductible in the calculation of Net Profit, unless expressly agreed otherwise in writing.

3.10 Audit Rights. Upstakes may, at any time upon twenty-four (24) hours' written notice, require the Player to provide full and accurate records of all Funded Tournaments, including hand histories, cashier balances, payment account statements and screenshots. Failure to provide such information constitutes a material breach of this Agreement.

4. Profit Allocation

4.1 Profit Split. Net Profit shall be divided equally: fifty percent (50%) to Upstakes and fifty percent (50%) to the Player.

4.2 Order of calculation. Net Profit shall be calculated in the following order:

(a) the aggregate Gross Return for the relevant period;

(b) less the aggregate Buy-Ins paid from the Funded Bankroll in that period;

(c) less any Make-Up balance brought forward; and

(d) the resulting positive amount, if any, is the Net Profit, which is then divided in accordance with Clause 4.1. Where the result is negative, it is carried forward as Make-Up and no distribution arises.

4.3 Distribution Mechanism. Profit distributions shall be made within seven (7) business days of a valid request by the Player, provided that any Make-Up balance has first been fully cleared.

4.4 Automatic Distribution. Where accumulated undistributed Net Profit exists, Upstakes may, at its sole discretion and without prior request from the Player, initiate a distribution in accordance with this Clause 4.

4.5 Revolving Funding. Upon distribution of Net Profit to either Party, the funding arrangement shall automatically reset and continue on the same terms. In particular:

(a) the Player shall regain access to the full Funding amount recorded in Annex A, regardless of prior results or interim distributions;

(b) the Tranche structure, the ABI and Buy-In limits, the tracking of Make-Up, and all performance and reporting obligations remain in full force without interruption; and

(c) this revolving mechanism continues to operate indefinitely until this Agreement is terminated in accordance with Clause 9.

4.6 Upgrade. The Player may apply to move to a higher Tier. Any such change takes effect only upon execution of a replacement Annex A signed by both Parties, and may require completion of a further Challenge at the level applicable to the higher Tier.

4.7 Tax Obligations. The Player is solely responsible for complying with all tax reporting and payment obligations arising from their share of Net Profit in their country of residence. Upstakes bears no responsibility for the Player's tax obligations. The Player agrees to indemnify and hold harmless Upstakes from any claim or liability arising from the Player's failure to comply with applicable tax laws.

5. Make-Up

5.1 Operation. Make-Up is carried forward and offset against future Gross Return prior to any distribution. No repayment obligation arises from the existence of a Make-Up balance alone.

5.2 Legal nature. The Parties expressly agree that Make-Up does not, in and of itself, constitute a debt owed by the Player to Upstakes. An outstanding Make-Up balance becomes a recoverable debt only where the Player has breached an obligation under this Agreement. Where the Player fulfils their obligations under this Agreement and the Funded Bankroll is exhausted through ordinary tournament play, no debt or repayment obligation arises in respect of the Make-Up balance.

5.3 Make-Up on termination. If this Agreement terminates while the Player has an outstanding Make-Up balance, the following applies:

(a) Termination for the Player's breach. Where the Agreement is terminated as a result of the Player's breach of any obligation under this Agreement, or where a Clearance Confirmation is declined under Clause 9.5, the outstanding Make-Up balance constitutes a debt immediately due and payable. The Player must resolve that balance without delay by one of the following methods:

(i) Option 1 – Full Repayment. The Player repays the full outstanding Make-Up balance to Upstakes in USD, EUR or CZK within five (5) calendar days of the date on which the debt falls due.

(ii) Option 2 – Settlement Proposal. The Player may submit a written request for a settlement proposal. Upstakes may, at its sole and absolute discretion, decide whether to grant any form of settlement, including a discounted buyout, deferred repayment plan or alternative resolution. Upstakes is under no obligation to accept the request, to negotiate, or to provide any discount. Unless and until a written settlement agreement is signed by both Parties, the Player remains fully liable for the entire Make-Up balance.

(b) All other terminations. In every other case — including termination by Upstakes other than for the Player's breach, exhaustion of the Funded Bankroll through ordinary tournament play, and termination by the Player under Clause 9.4 where a Clearance Confirmation is issued or deemed issued — the outstanding Make-Up balance shall be extinguished in full and the Player shall have no repayment obligation to Upstakes in respect of it.

5.4 Default and Interest. If the Player fails to satisfy a Make-Up balance which has become due under Clause 5.3(a), the outstanding balance shall accrue interest at the statutory default rate under Czech law until paid in full, and Upstakes may pursue recovery through legal proceedings.

Worked Example (illustrative only)

If the Player loses USD 1,200 in Funded Tournaments, a Make-Up balance of USD 1,200 is recorded. No distribution may occur until that balance is cleared.

If in the following period the Player generates a Gross Return exceeding Buy-Ins by USD 2,000, the Make-Up balance of USD 1,200 is first deducted, leaving USD 800. Only that remaining amount is treated as Net Profit and shared equally, resulting in USD 400 payable to the Player and USD 400 to Upstakes. Once the Make-Up balance is fully cleared, all subsequent Net Profit is immediately subject to the standard 50/50 split.

This example is provided for illustration only and does not modify or limit the binding provisions of Clause 5.

6. Bankroll and Reporting Obligations

6.1 Reporting Requirements. The Player shall maintain an accurate and up-to-date real-time tracking sheet (Google Sheet or equivalent, as approved by Upstakes) recording:

(a) tournament ID and name;

(b) date of play;

(c) Buy-In and fees;

(d) poker platform or venue;

(e) result (placement and winnings); and

(f) net result (profit or loss).

The tracking sheet must be updated within twenty-four (24) hours after the end of each session.

6.2 Bankroll Transparency. The Player shall strictly separate Upstakes funds from personal or third-party funds. Where technical limitations make separation impossible, the Player must clearly and consistently tag all transactions relating to the Funded Bankroll. Upstakes may at any time request, and the Player shall promptly provide:

(a) screenshots of cashier balances or payment accounts;

(b) complete hand histories;

(c) tournament receipts and payment records; and

(d) any other data reasonably required to verify compliance.

6.3 Failure to Report. If the Player fails to provide the required reporting for a period exceeding three (3) consecutive days, Upstakes may, at its sole discretion, suspend the Player's access to the Funded Bankroll, withhold any distribution, or terminate this Agreement with immediate effect.

7. Conduct, Integrity and Exclusivity

7.1 The Player shall:

(a) use the Funded Bankroll exclusively for Funded Tournaments;

(b) refrain from ghosting, collusion, chip dumping, seat selling, multi-accounting, the use of real-time assistance or solvers during play, and any other form of cheating or dishonest practice;

(c) comply with the rules and terms of each poker platform and venue on which they play;

(d) play personally, and not permit any third party to play on the Player's account or with the Funded Bankroll; and

(e) devote reasonable time and effort to fulfilling their obligations under this Agreement.

7.2 Exclusivity. During the Term the Player shall not, without the prior written consent of Upstakes:

(a) enter into any staking, backing or funding arrangement in respect of poker with any third party; or

(b) play any multi-table poker tournament, online or live, for their own account or on behalf of any third party, other than tournaments with a Buy-In at or below the de minimis threshold recorded in Annex B.

The restrictions in this Clause 7.2 apply only during the Term and cease to apply on the date termination takes effect under Clause 9, irrespective of whether a Clearance Confirmation has by then been issued or any Make-Up balance remains outstanding.

7.3 Consequences of breach. A breach of this Clause 7 may result in:

(a) immediate termination of this Agreement;

(b) forfeiture of the Player's entitlement to any undistributed Net Profit, with the Player obliged to remit one hundred percent (100%) of such Net Profit, including amounts already credited to the Player's poker accounts or e-wallets, to Upstakes within five (5) business days of notice; and

(c) listing in accordance with Clause 8.2.

The consequences in this Clause 7.3 apply only in respect of a breach which is established on the basis of evidence and notified to the Player in writing with reasons.

8. Confidentiality and Listing

8.1 Confidentiality. The Player shall keep strictly confidential the individual terms recorded in Annex A and Annex B, and all information regarding Challenge design and scoring, Upstakes' internal strategies, any proprietary data provided, and internal communications and strategy materials. This obligation does not extend to the standard form of this Agreement to the extent published by Upstakes. This obligation survives for five (5) years following termination of this Agreement.

8.2 Listing. In cases of verified misconduct, fraud, or material breach of this Agreement, Upstakes may add the Player to the Upstakes internal list of players with whom it will not contract, and share that listing with partners and trusted third parties in the poker funding ecosystem. Public listing of personal data will occur only where permitted by law and justified by a legitimate interest or legal obligation.

8.3 Right to contest. The Player has the unqualified right to contest such inclusion by written notice setting out the specific reasons relating to their particular situation. Upstakes shall then assess whether its compelling legitimate interests override the rights and freedoms of the Player, and shall communicate a reasoned decision to the Player.

9. Term and Termination

9.1 Term. This Agreement commences on the Commencement Date and continues indefinitely, subject to the revolving mechanism in Clause 4.5, until terminated in accordance with this Clause 9.

9.2 Termination by Upstakes for cause. Upstakes may terminate this Agreement with immediate effect upon:

(a) breach of the tournament volume, ABI or Buy-In requirements, or of the Tranche conditions;

(b) failure to comply with the reporting or bankroll transparency obligations under Clause 6;

(c) breach of the conduct or exclusivity obligations under Clause 7;

(d) fraud, dishonesty, or misappropriation of funds; or

(e) any other material breach of this Agreement.

9.3 Termination by Upstakes without cause. Upstakes may terminate this Agreement for any other reason on ten (10) business days' written notice. In that case Clause 5.3(b) applies and any Make-Up balance is extinguished.

9.4 Termination by the Player. The Player may terminate this Agreement by giving not less than five (5) business days' written notice to Upstakes. Termination takes effect on expiry of that notice period, whether or not any Make-Up balance is then outstanding and whether or not a Clearance Confirmation has been issued.

9.5 Clearance Confirmation. Where this Agreement terminates under Clause 9.4, any outstanding Make-Up balance shall be extinguished only upon Upstakes issuing a written confirmation to that effect (a "Clearance Confirmation"). Upstakes shall issue a Clearance Confirmation within ten (10) business days of the effective date of termination, provided that the Player has:

(a) delivered the final reporting required under Clause 9.6(c);

(b) returned any unspent portion of the Funded Bankroll; and

(c) no unresolved breach of this Agreement.

If Upstakes declines to issue a Clearance Confirmation it shall notify the Player in writing, stating the grounds, within the same ten (10) business day period, in which case the Make-Up balance crystallises as a debt under Clause 5.3(a). If Upstakes neither issues a Clearance Confirmation nor notifies the Player of its refusal within that period, the Clearance Confirmation shall be deemed to have been issued.

9.6 Effect of Termination. Upon termination for any reason:

(a) the Player shall immediately cease using the Funded Bankroll and return any unspent portion to Upstakes;

(b) any Make-Up balance shall be dealt with in accordance with Clause 5.3;

(c) the Player shall, within five (5) business days, provide final reporting of all Funded Tournaments played up to the termination date, including supporting records and cashier balances; and

(d) the confidentiality, data protection, and liability provisions of this Agreement survive termination.

9.7 Re-entry. Where this Agreement terminates while an unrecovered Make-Up balance exists, the Player shall not be eligible to enter into a new funding arrangement with Upstakes for a period of six (6) months from the effective date of termination. Any subsequent funding arrangement is offered at the sole discretion of Upstakes, and the prior Make-Up balance may be taken into account and disclosed to the Staking Manager in assessing that application.

10. Legal Terms

10.1 This Agreement is governed by the laws of the Czech Republic, without regard to conflict of laws principles.

10.2 Any dispute arising out of or in connection with this Agreement shall be resolved through binding arbitration conducted in the Czech or English language under the rules of the Arbitration Court attached to the Czech Chamber of Commerce and the Agricultural Chamber of the Czech Republic. The decision of the arbitrator shall be final and binding.

10.3 Clause 10.2 does not apply where the Player has entered into this Agreement otherwise than in the course of their trade, business or profession. In that case, any dispute shall be determined by the competent courts of the Czech Republic, without prejudice to any right the Player may have under mandatory law to bring or defend proceedings in the courts of their country of residence. The Czech Trade Inspection Authority (Česká obchodní inspekce), Štěpánská 567/15, 120 00 Prague 2, is competent for the out-of-court settlement of consumer disputes, and the European online dispute resolution platform is available at ec.europa.eu/consumers/odr.

11. Data Protection

11.1 Upstakes processes the Player's personal data (including name, alias, platform identifiers, results and communications) for the purposes of administering this Agreement, performance tracking, and fraud prevention. Processing is based on contractual necessity (Article 6(1)(b) GDPR) and legitimate interest (Article 6(1)(f) GDPR).

11.2 The Player acknowledges that their data may be stored for up to three (3) years following termination. The Player has the right to access, rectify or erase their data, to restrict or object to its processing, and to data portability. Requests may be sent to support@upstakes.io. The Player also has the right to lodge a complaint with the Office for Personal Data Protection (Úřad pro ochranu osobních údajů).

12. Final Provisions

12.1 Severability. If any provision of this Agreement is held invalid or unenforceable, the remainder continues in full force and effect, and the invalid provision shall be replaced by a valid provision whose meaning is as close as possible to it.

12.2 Force Majeure. Neither Party is liable for failure to perform where such failure is due to causes beyond reasonable control, including legal bans, war, natural disasters, or systemic platform outages.

12.3 Entire Agreement. This Agreement, together with its Annexes, constitutes the entire understanding between the Parties and supersedes any prior agreement, oral or written, regarding its subject matter. Where the Player also holds a cash game funding arrangement with Upstakes, this Agreement does not supersede that arrangement.

12.4 Amendments. This Agreement may be amended only in writing signed by both Parties. Annex B may be varied by Upstakes on not less than ten (10) business days' written notice to the Player; if the Player does not accept the variation, the Player may terminate under Clause 9.4 and Clause 5.3(b) shall apply.

12.5 Assignment. Upstakes may assign or transfer its rights and obligations under this Agreement to any third party without the Player's consent. The Player may not assign this Agreement without the prior written approval of Upstakes.

12.6 Notices. Notices under this Agreement shall be given in writing to the e-mail addresses recorded in this Agreement or in Annex B. Communication by e-mail or through the Upstakes platform constitutes written communication.

12.7 Language. The language of this Agreement is English. In case of discrepancy between language versions, the English version prevails.
